An investment in the Bonds may not be a suitable investment for all potential investors. Each potential investor should evaluate the suitability of an investment in the Bonds in light of its own circumstances. In particular, each potential investor should:

- (a) have sufficient knowledge and experience to carry out an effective evaluation of (i) the Bonds, (ii) the merits and risks of investing in the Bonds, and (iii) the information contained or incorporated by reference in this Prospectus or any applicable supplement;

- (d) understand thoroughly the Terms and Conditions and the other Finance Documents and be familiar with the behavior of any relevant indices and financial markets; and
- (e) be able to evaluate (either alone or with the assistance of a financial adviser) possible scenarios relating to economic, interest rate and other factors that may affect its investment and its ability to bear the risks.

This Prospectus is not an offer for sale or a solicitation of an offer to purchase the Bonds in any jurisdiction. It has been prepared solely to list the Bonds on the corporate bond list of Nasdaq Stockholm. This Prospectus may not be distributed in or into any jurisdiction where such distribution would require any additional prospectus, registration or additional measures other than those required under Swedish law, or which would otherwise conflict with the applicable rules and regulations in such jurisdiction. Persons into whose possession this Prospectus comes or persons who acquire the Bonds are therefore required to inform themselves about, and to comply with such restrictions. Any failure to comply with such restrictions may result in a violation of applicable securities regulations. The Bonds have not been and will not be registered under the U.S. Securities Act of 1933, as amended (the "**Securities Act**"), or the laws of any state or other jurisdiction outside Sweden. Subject to certain exemptions, the Bonds may not be offered or sold within the United States or to, or for the account or benefit of, U.S. persons except pursuant to an exemption from, or in a transaction not subject to, the registration requirements of the Securities Act. The Bonds are being offered and sold only outside the United States to purchasers who are not, or are not purchasing for the account or benefit of, U.S. persons, in reliance on Regulation S under the Securities Act. In addition, until 40 days after the later of the commencement of the offering and the closing date, an offer or sale of the Bonds within the United States by a dealer may violate the registration requirements of the Securities Act if such offer or sale is made otherwise than pursuant to an exemption from registration under the Securities Act.

RISK FACTORS RELATED TO THE BONDS

This section describes risks which are specific to the Bonds and which United Camping considers to be material when making an investment decision in relation to the Bonds. The most material risk factor in a category, based on United Camping's assessment of the probability of the risk's occurrence and the expected magnitude of its adverse impact, is presented first in that category. Subsequent risk factors in the same category are not ranked in order of materiality or probability of occurrence. Where a risk factor may be categorized in more than one category, such risk factor appears only once and in the most relevant category. Each risk factor is disclosed by rating the relevant risk, based on the probability of the risk's occurrence and the expected magnitude of its adverse impact, as low, medium or high.

RISKS RELATED TO THE BONDS

Risks related to the nature of the Bonds

Credit risks

Investors in the Bonds carry a credit risk towards the Group. The investor's ability to receive payment under the Bonds is therefore dependent on the Issuer's ability to meet its payment obligations, which in turn is largely dependent upon the performance of the Group's operations and its financial position. The Group's financial position is affected by several factors of which some have been mentioned above.

There is a risk that an increased credit risk will cause the market to charge the Bonds a higher risk premium, which will affect the Bonds' value negatively. Another aspect of the credit risk is that there is a risk that a deteriorating financial position of the Group will reduce the Group's possibility to receive debt financing at the time of the maturity of the Bonds.

In addition to the above, there is a risk that the Guarantees provided by the Guarantors in respect of the Bonds will be insufficient in respect of the Issuer's obligations under the Bonds in the event the Issuer becomes insolvent. Further, the Guarantor may in some circumstances, and subject to the Terms and Conditions, provide additional guarantees. If the Guarantors were to guarantee any other obligations of the Group the total amount to be guaranteed would be increased and there is a risk that the guarantees provided in favour of the current bondholders would be impaired.

Risk rating: medium

Risks related to early redemption and partial repayment of the Bonds

Under the Terms and Conditions, the Issuer has reserved the possibility to redeem the outstanding Bonds early in full or in part before the final redemption date provided that, if only partially redeemed, at least 60 percent of the nominal amount of the Bonds must remain outstanding at any time after such redemption (call option). Further, the Issuer may, following an Equity Listing Event, repay up to 40 percent of the outstanding nominal amount of the Bonds, in which case all outstanding Bonds shall be partially repaid by way of reducing the outstanding nominal amount of each Bond *pro rata*. If the Bonds are redeemed or partially repaid before the date falling 36 months after the first issue date, the holders of the Bonds have the right to receive a call option amount on the repaid amount which

exceeds the nominal amount in accordance with the Terms and Conditions. However, there is a risk that the market value of the Bonds is higher than the call option amount and that it may not be possible for bondholders to reinvest such proceeds at an effective interest rate as high as the interest rate on the Bonds and may only be able to do so at a significantly lower rate.

In addition, a partial repayment of the Bonds may affect the liquidity of the Bonds and may have a negative impact on the market value of the Bonds which could result in difficulties for bondholders to sell the Bonds (at all or at reasonable terms).

Risk rating: medium

Interest rate risks

The Bonds' value depends on several factors, one of the most significant over time being the level of market interest. The Bonds will bear a floating rate interest of 3-month STIBOR plus a margin and the interest rate of the Bonds will be determined two business days prior to the first day of each interest period. Hence, the interest rate is to a certain extent adjusted for changes in the level of the general interest rate. There is a risk that an increase of the general interest rate level will adversely affect the value of the Bonds. The general interest rate level is to a high degree affected by the Swedish and the international financial development and is outside the Group's control.

Risk rating: medium

Majority owner

As of 30 September 2020, Norvestor VII LP indirectly controlled approximately 90.9 percent of the shares in the Issuer. A majority shareholder's interest may conflict with those of the bondholders, particularly if the Group encounters difficulties or is unable to pay its debts as they fall due. A majority shareholder has legal power to control many of the matters to be decided by vote at a shareholder's meeting. For example, a majority shareholder will have the ability to elect the board of directors. Furthermore, a majority shareholder may also have an interest in pursuing acquisitions, divestitures, financings or other transactions that, in their judgment, could enhance their equity investments, although such transactions might involve risks to the bondholders. There is nothing that prevents a shareholder or any of its affiliates from acquiring businesses that directly compete with the Group. If such an event were to arise, it could have a material negative impact on the Group's operations, earnings and financial position. According to the Terms and Conditions, if a change of control event occurs, the bondholders have however a right of prepayment of the Bonds (put option). Please see below section "*Put option*" regarding potential consequences of a change of control event occurring and the risk that the Issuer does not have enough liquidity to redeem the Bonds if the bondholders use its right of prepayment.

Risk rating: low

Put option

According to the Terms and Conditions, the Bonds are subject to prepayment at the option of each bondholder (put option) if an event or series of events occurs whereby one or more persons (not being (i) Norvestor Fund VII, (ii) any of its affiliates and/or (iii) any other funds managed by Norvestor Equity AS and/or the same advisory company from time to time) acting together, acquire control over the Issuer and where "control" means (a) acquiring or controlling, directly or indirectly, more than 50 percent of the voting shares of the Issuer, or (b) the right to, directly or indirectly, appoint or remove all or a majority of the directors of the board of directors of the Issuer.

There is, however, a risk that the Issuer will not have sufficient funds at the time of such prepayment to make the required prepayment of the Bonds which could adversely affect the Issuer, e.g. by causing insolvency or an event of default under the Terms and Conditions, and thus adversely affect all bondholders and not only those that choose to exercise the option.

Risk rating: low

Benchmark Regulation

Interest payable on the Bonds are calculated by reference to STIBOR. The process for determining STIBOR and other interest-rate benchmarks is subject to a number of legislative acts and other regulations. Some of these acts and regulations have already been implemented whilst some are set to be implemented in the near future. The most extensive initiative in this respect is the Benchmark Regulation (Regulation (EU) 2016/1011 of the European parliament and of the council of 8 June 2016 on indices used as benchmarks in financial instruments and financial contracts or to measure the performance of investment funds and amending Directives 2008/48/EC and 2014/17/EU and Regulation (EU) No 596/2014). The Benchmark Regulation came into force on the 1 January 2018. The Benchmark Regulation addresses the provision of benchmarks, the contribution of input data to benchmarks and the use of benchmarks within the European Union. The effect of the Benchmark Regulation cannot yet be fully determined due, among other things, to the limited time period that the regulation has applied. However, there is a risk that the Benchmark Regulation will affect how certain benchmarks are determined and how they develop in the future. This could, for example, lead to increased volatility regarding some benchmarks. A further potential risk is that increased administrative requirements, and resulting regulatory risk, may discourage stakeholders from participating in the production of benchmarks, or that some benchmarks cease to be provided. If this would happen in respect of benchmark that is used for the Bonds, it could potentially have negative effects for the Bondholders.

Risk rating: low

Risks related to security

Risks relating to the transaction security

Although the Issuer's obligations towards the investors under the Bonds are secured by first priority pledges over the shares in the Issuer and certain Group companies as well as security over certain business mortgages, real property mortgages and intragroup loans between Group companies, it is not

certain that the proceeds of any enforcement sale of the security assets would be sufficient to satisfy all amounts then owed to the investors.

The bondholders are represented by Nordic Trustee & Agency AB (publ) as security agent (the "**Security Agent**") in all matters relating to the transaction security. There is a risk that the Security Agent, or anyone appointed by it, does not properly fulfil its obligations in terms of perfecting, maintaining, enforcing or taking other necessary actions in relation to the transaction security. Further, the transaction security is subject to certain hardening periods during which times the bondholders do not fully, or at all, benefit from the transaction security.

The Security Agent is entitled to enter into agreements with members of the Group or third parties or to take any other action necessary for the purpose of maintaining, releasing or enforcing the transaction security or for the purpose of settling, among other things, the bondholders' rights to the security.

Risk rating: medium

Risks relating to enforcement of the transaction security and guarantees

The bondholders will receive proceeds from an enforcement of the transaction security or guarantees only after obligations of other secured creditors secured on a super senior basis have been repaid in full.

If a subsidiary, which shares have been pledged in favour of the bondholders, is subject to any foreclosure, dissolution, winding-up, liquidation, recapitalisation, administrative or other bankruptcy or insolvency proceedings, the shares that are subject to such pledge may then have limited value because all of the subsidiary's obligations must first be satisfied, potentially leaving little or no remaining assets in the subsidiary for the secured creditors. As a result, the secured creditors may not recover the full value (or any value in the case of an enforcement sale) of the shares. In addition, the value of the shares subject to pledges may decline over time.

The value of any intra-group loan of the Group, which is subject to security in favour of the secured creditors, is largely dependent on the relevant debtor's ability to repay such intra-group loan. Should the relevant debtor be unable to repay its debt obligations upon an enforcement of a pledge over the intra-group loan, the secured creditors may not recover the full or any value of the security granted over the intra-group loan.

The value of the business mortgages issued by a subsidiary of the Issuer, which are subject to security in favour of the secured creditors, are dependent on the value of the assets held by the subsidiary at the time of the enforcement. It shall be noted that, a business mortgage creates a security interest over all movable property (Sw. *lös egendom*) belonging to the subsidiary and connected to the subsidiary's business, except for (i) cash and bank funds, (ii) shares and other financial instruments intended for general trading, (iii) property that can be the subject to a security interest due to a mortgage, or (iv) property that can neither be subject to a seizure (Sw. *utmätning*) nor included in a bankruptcy/insolvency liquidation. The business mortgage gives the creditors a right to succession to 100 percent of the value of the subsidiary's movable assets (with the exceptions set out above), up to

an amount equal to the lower of (i) the secured claim, or (ii) 115 percent of the face amount of the business mortgage certificates, plus interest on such amount from the date of enforcement at a rate corresponding to the official reference rate plus four percent, provided that claims with higher priority (e.g. which are subject to pledges) have been satisfied. Other than as set out in the Terms and Conditions, the subsidiary may dispose of its assets which will affect the value of the subsidiary's assets which are subject to the business mortgage. In addition, should the subsidiary separately pledge any assets, such assets will be carved-out from the assets covered by the business mortgage. Should this occur, the value of the granted security will be adversely affected and there is a risk that the secured creditors do not receive an amount corresponding to the amounts of the business mortgages.

If the proceeds of an enforcement are not sufficient to repay all amounts due under or in respect of the Bonds, then the bondholders will only have an unsecured claim against the Issuer and its remaining assets (if any) for the amounts which remain outstanding under or in respect of the Bonds.

Risk rating: medium

Corporate benefit limitations in providing security to the bondholders

Some of the security granted pursuant to the Terms and Conditions are granted by subsidiaries of the Issuer. If a limited liability company provides security for another party's obligations without deriving sufficient corporate benefit therefrom, the granting of security will require the consent of all shareholders of the grantor and will only be valid up to the amount the company could have distributed as dividend to its shareholders at the time the security was provided. If no corporate benefit is derived from the security provided, the security will be limited to distributable funds. Consequently, the security granted by a subsidiary of the Issuer could therefore be limited which would have an adverse effect on the secured creditors' security position.

Risk rating: medium

Risks related to the intercreditor arrangements

The Issuer may incur additional debt under a multicurrency super senior revolving credit facility under an agreement dated 5 December 2019 (the "**Super Senior RCF**") which will, in accordance with the terms of an Intercreditor Agreement (as defined below), rank senior to the Bonds. Further, the Issuer may incur additional financial indebtedness which will rank *pari passu* with the Bonds. The relation between certain of the Issuer's creditors (jointly the "**Secured Creditors**") and the Security Agent is governed by an intercreditor agreement dated 5 December 2019 (the "**Intercreditor Agreement**"). Although the obligations under the Bonds and certain other obligations of the Group towards the bondholders and the Secured Creditors are secured by first priority security, there is a risk that the proceeds of any enforcement sale of the security assets will not be sufficient to satisfy all amounts then owed to the Secured Creditors. Furthermore, if the Issuer issues subsequent Bonds, the security position of the current bondholders may be impaired.

The Security Agent may in accordance with the Intercreditor Agreement in some cases take instructions from a super senior representative under the Super Senior RCF. There is a risk that the Security Agent and/or a super senior representative under the Super Senior RCF will act in a

manner or give instructions not preferable to the bondholders. In addition, the Security Agent will in some cases take instructions from a senior representative, being those senior creditors whose senior debt at that time aggregate to more than 50 percent of the total senior debt. If the outstanding senior debt towards other senior creditors than the bondholders exceed the obligations under the Bonds, the bondholders will therefore not be in a position to control the enforcement procedure.

If the outstanding obligations of the Group towards other Secured Creditors than the bondholders increase, there is a risk that the security position of the bondholders is impaired. Furthermore, there is a risk that the security will not at all times cover the outstanding claims of the Secured Creditors.

The Intercreditor Agreement also contains provisions regarding the application of proceeds from an enforcement of security where any agent will receive payments first, secondly any creditor under any super senior debt (including liabilities under super senior hedges), thirdly any creditor *pro rata* under any senior debt (including the bondholders), fourthly any other costs or outstanding amounts unpaid under the finance documents and any new debt documents, fifthly any creditor under the vendor loan and lastly any creditor under any shareholder, intercompany and subordinated debt. There is a risk that the enforcement proceeds will not be sufficient in order for the Issuer to satisfy the waterfall provisions above.

Risk rating: medium

Security over assets granted to third parties

Subject to certain limitations from time to time, the Issuer may incur additional financial indebtedness and provide additional security for such indebtedness. If security is granted in favour of a third party debt provider, the bondholders will, in the event of bankruptcy, re-organisation or winding-up of the Issuer, be subordinated in right of payment out of the assets being subject to security provided to such third party debt provider. In addition, if any such third party debt provider holding security provided by the Group were to enforce such security due to a default by any company within the Group under the relevant finance documents, such enforcement could have a material adverse effect on the Group's assets, operations and, ultimately, the financial position of the bondholders.

Risk rating: medium

Risks related to the bondholders' rights and representation

The rights of bondholders depend on the Agent's actions and financial standing

By subscribing for, or accepting the assignment of, any Bond, each holder of a Bond will accept the appointment of the Agent (being on the first issue date Nordic Trustee & Agency AB (publ)) to act on its behalf and to perform administrative functions relating to the Bonds. The Agent shall have, among other things, the right to represent the bondholders in all court and administrative proceedings in respect of the Bonds. However, the rights, duties and obligations of the Agent as the representative of the holders of the Bonds are subject to the provisions of the Terms and Conditions, and there is no specific legislation or market practice in Sweden (under which laws the Terms and Conditions are governed) which would govern the Agent's performance of its duties and obligations relating to

the Bonds. There is a risk that a failure by the Agent to perform its duties and obligations properly or at all will adversely affect the enforcement of the rights of the bondholders.

The Agent may be replaced by a successor Agent in accordance with the Terms and Conditions. Generally, the successor Agent has the same rights and obligations as the retired Agent. It may be difficult to find a successor Agent with commercially acceptable terms or at all. Further, there is a risk that the successor Agent would breach its obligations under the above documents or that insolvency proceedings would be initiated against it.

There is a risk that materialisation of any of the above risks will have a material adverse effect on the enforcement of the rights of the holders of the Bonds and the rights of the holders of the Bonds to receive payments under the Bonds.

Risk rating: low

Bondholders' meetings and written procedures

The Terms and Conditions include certain provisions regarding bondholders' meetings and written procedures. Such meetings or written procedures may be held in order to resolve on matters relating to the bondholders' interests. The Terms and Conditions allow for stated majorities to bind all bondholders, including bondholders who have not taken part in the meeting or written procedure and those who have voted differently to the required majority at a duly convened and conducted bondholders' meeting or written procedure. Consequently, there is a risk that the actions of the majority in such matters will impact a bondholder's rights in a manner that is undesirable for some of the bondholders.

Risk rating: low

No action against the Issuer and bondholders' representation

In accordance with the Terms and Conditions, the Agent will represent all bondholders in all matters relating to the Bonds and the bondholders are prevented from taking actions on their own against the Issuer. Consequently, individual bondholders do not have the right to take legal actions to declare any default by claiming any payment from the Issuer and may therefore lack effective remedies unless and until a requisite majority of the bondholders agree to take such action. However, there is a risk that an individual bondholder, in certain situations, could bring its own action against the Issuer (in breach of the Terms and Conditions), which could negatively impact an acceleration of the Bonds or other action against the Issuer.

To enable the Agent to represent bondholders in court, the bondholders and/or their nominees may have to submit a written power of attorney for legal proceedings. The failure of all bondholders to submit such a power of attorney could negatively affect the legal proceedings. Under the Terms and Conditions, the Agent will in some cases have the right to make decisions and take measures that bind all bondholders. Consequently, there is a risk that the actions of the Agent in such matters will impact a bondholder's rights under the Terms and Conditions in a manner that is undesirable for some of the bondholders.

Risk rating: low

Risks related to the financial standing of the Group

The Issuer is dependent on its subsidiaries

A significant part of the Group's assets and revenues relate to the Issuer's subsidiaries, with First Camp Sverige AB¹ and Nordic Camping & Resort AB having been the most important subsidiaries in terms of assets and revenue. Accordingly, the Issuer is dependent upon receipt of sufficient income and cash flow related to the operation of and the ownership in the subsidiaries to enable it to make payments under the Bonds. Consequently, the Issuer is dependent on the subsidiaries' availability of cash. Should the Issuer not receive sufficient income from its subsidiaries, the investor's ability to receive payment under the Terms and Conditions may be adversely affected.

All assets are owned by, and all revenues are generated in, the subsidiaries of the Issuer. The subsidiaries are legally distinct from the Issuer and have no obligation to make payments to the Issuer of any profits generated from their business. The ability of the subsidiaries to make payments to the Issuer is restricted by, among other things, the availability of funds, corporate restrictions and legal restrictions (e.g. limitations on value transfers).

If the Issuer is not able to receive funds by way of dividends, value transfer or lending from one or more subsidiary, this could affect the Issuer's ability to service its payment obligations under the Bonds which would have a material adverse effect on the Issuer's business, financial position, earnings and result.

The Group or its assets may not be protected from any actions by the creditors of any subsidiary of the Group, whether under bankruptcy law, by contract or otherwise. In addition, defaults by, or the insolvency of, certain subsidiaries of the Group could result in the obligation of the Group to make payments under parent company financial or performance guarantees in respect of such subsidiaries' obligations or the occurrence of cross defaults on certain borrowings of the Group.

Risk rating: medium

Refinancing risk

There is a risk that the Issuer will be required to refinance certain or all of its outstanding debt, including the Bonds. The Issuer's ability to successfully refinance its debt depends, among other things, on the conditions of the debt capital markets and its financial condition at such time. Even if the debt capital markets improve, there is a risk that the Issuer's access to financing sources will not be available on favourable terms, or at all. Should the Issuer be unable to refinance its debt obligations on favourable terms, or at all, it would have a material adverse effect on the Group's business, financial condition and results of operations and on the bondholders' recovery under the Bonds.

DESCRIPTION OF THE UNITED CAMPING GROUP AND THE GUARANTORS

The United Camping Group's business and operations

General

The Group operates and develops camping sites and cabin villages under the brand "First Camp" on the Swedish and Danish market. It has destinations from Luleå in the north of Sweden to Römö in the south of Denmark. Whilst the Group's operations have historically been concentrated to Sweden only, the Group expanded into Denmark during 2019 through the acquisition of the First Camp group. As of 30 September 2020, the Group had 43 camping sites, of which 38 were located in Sweden and five were located in Denmark, making the Group the largest camping site chain in Sweden and in Denmark. As of 30 September 2020, the total number of camping pitches and cabins held by the Group were approximately 11,500 camping pitches and approximately 1,500 cabins.

In addition to the camping operations, the Group has a broader travel- and tourism offering. On the camping sites, the Group has receptions, shops, restaurants, service facilities, and provide similar services/products to its guests. Out of the Group's net revenues during the third quarter of 2020, approximately 77 percent related to the lease of camping sites and cabins and approximately 23 percent related to sales of products/services on the sites

The guests on the Group's camping sites and cabin villages are both domestic and international. During the last couple of years, approximately 25 percent of the camping guests on the Group's Swedish camping sites have been international guests. However, during the summer of 2020 the Group experienced a decrease in the number of international guests due to the spread of COVID-19, resulting in a larger portion of domestic guests on the Swedish camping sites.

Out of the Group's 43 camping sites as of 30 September 2020, approximately one third of the camping sites were located on properties owned by the Group, while the remaining two thirds were secured by leasehold agreements (Sw. *arrendeavtal*) and site leasehold agreements (Sw. *tomträttsavtal*).

As of September 2020, the number of employees in the Group was 158, of whom one was employed by the Issuer and 157 were employed by its subsidiaries. In addition to the permanent employees, the Group employs approximately 700 seasonal workers during the summer.

Strategy

The Group's strategy is to continue to acquire camping sites not only in Sweden, but also outside of Sweden. The Scandinavian camping market, with its approximately 2,200 camping sites, is highly fragmented, with most of the players in the market being family-owned single-site operators. The Group's success depends, in part, on its ability to continue to make successful acquisitions and to integrate the operations of acquired camping sites, including centralizing certain functions to achieve cost savings and pursuing programs and processes that promote cooperation and the sharing of opportunities and resources among the camping facilities and consumer services.

The acquisition of the First Camp group

On 7 March 2019, the Group acquired the First Camp group, adding 14 camping sites to the Group and enabling the Group to take its first step into the Danish market. During the fall of 2019, the Group began the process of integrating the two operations under the brand "First Camp". Prior to the acquisition of the First Camp group, the Group operated under the brand "Nordic Camping".

Group structure

United Camping is the parent company of the Group that, in addition to the Issuer, comprised three directly and 46 indirectly owned subsidiaries as of 30 September 2020. The Group's camping operations were, during the third quarter of 2020, mainly operated in the wholly-owned subsidiary Nordic Camping & Resort AB, the indirectly owned subsidiary First Camp Sverige AB² as well as in the Danish wholly-owned subsidiary First Camp Danmark A/S, but also in the indirectly owned subsidiaries Lakolk A/S, Hasmark Strand Feriepark ApS, Bogense Strand Camping A/S and Bösöre Strand Feriepark ApS (the operations in said companies will however be transferred to First Camp Danmark A/S). United Camping provides management and board services, as well as financing to its subsidiaries.

For a more in-depth description of the companies in the Group as of 30 September 2020, please refer to Note 8 in the Issuer's annual report 2019, which is incorporated into this Securities Note by reference. As the Group's operations are conducted by the subsidiaries, the Issuer is dependent on its subsidiaries to generate revenues and profits in order to be able to fulfil its payment obligations under the Bonds.

Material agreements

Except as described below, none of the Guarantors have entered into any material contracts outside the ordinary course of their business which could have a material impact on their abilities to meet the obligations under the Bonds.

Super senior revolving credit facility

United Camping has entered into a multicurrency super senior revolving facility agreement dated 5 December 2019 (the "**Super Senior RCF**") and made between, amongst others, United Camping as borrower and Nordea Bank Abp, filial i Sverige as original lender pursuant to which a SEK 125,000,000 revolving facility has been made available to United Camping, First Camp Sverige Holding AB and Nordic Camping & Resort AB, in each case for the purposes of financing working capital requirements and general corporate purposes of the group. The total commitments may, at the request of United Camping, be increased up to SEK 200,000,000 subject to the terms of the Super Senior RCF. The loans under the Super Senior RCF fall due and payable on 5 March 2023. As of 30 September 2020, no loan amounts were outstanding under the Super Senior RCF (i.e. SEK 125,000,000 in undrawn commitments). The facility agreement contains customary terms and conditions (including change of control provisions and customary restrictions in respect of incurrence of additional debt, granting of security and other obligations), guarantees and default provisions (including cross default and

insolvency proceedings affecting any group company). The Super Senior RCF enjoys the same security package as the bonds issued by United Camping with ISIN SE0013409570 and will under certain intercreditor arrangements have priority over any amounts outstanding under the Bonds in an enforcement scenario.

Guarantee and adherence agreement

United Camping has entered into a guarantee and adherence agreement dated 5 December 2019 with the Guarantors (and any material group company that from time to time accede to the agreement) and Nordic Trustee & Agency AB (publ) as security agent (the "**Guarantee and Adherence Agreement**"), pursuant to which United Camping and each Guarantor, jointly and severally, guarantees as principal and as for its own debt (Sw. *proprieborgen*) the full and punctual payment and performance of United Camping's and each other relevant obligor's obligations under or in connection with (i) the Bonds and (ii) the Super Senior RCF. The guarantees provided under the Guarantee and Adherence Agreement are subject to the terms of the Intercreditor Agreement (as defined below) and furthermore subject to certain limitations under applicable law.

Intercreditor agreement

United Camping and the Guarantors have entered into an intercreditor agreement dated 5 December 2019 (the "**Intercreditor Agreement**") with, amongst others, Nordic Trustee & Agency AB (publ) as original security agent and bonds agent and Nordea Bank Abp, filial i Sverige as original facility agent and original super senior RCF creditor for the purposes of setting out the ranking and priority of payment in respect of the indebtedness incurred under the Super Senior RCF and the Bonds respectively as well as any intercompany debt owed to United Camping or any of its subsidiaries which has entered into the intercreditor agreement, in the following order:

- *first*, the Super Senior Debt (*pari passu* between all indebtedness under the Super Senior RCF and the Hedging Obligations) (each as defined therein);
- *secondly*, the Senior Debt (*pari passu* between all indebtedness under the Bonds and any New Debt) (each as defined therein);
- *thirdly*, any liabilities raised in the form of Intercompany Debt (as defined therein); and
- *fourthly*, any liabilities raised in the form of Subordinated Debt (as defined therein).

General about the Guarantee provided under the Bonds and the Guarantors

As further described above under the heading "*Guarantee and adherence agreement*" the Issuer's obligations under the Bonds are guaranteed by the Guarantors (and any material group company that has acceded to the Guarantee and Adherence Agreement from time to time). As of the date of this Securities Note, the Guarantors comprised eleven of the Issuer's directly and indirectly held subsidiaries.

of the First Camp group during 2019, there was a change in auditor in the companies relating to First Camp, to the Group's auditor, Grant Thornton.

Nordic Camping and Resort AB's annual report for the financial year 2019 contains remarks from the auditor, stating that the auditor had sent a letter to the board of directors of the company, in which the auditor pointed out shortcomings in the internal control in relation to ongoing reconciliations of the accounts and that there have been delays in the company's accounting, i.e. breaches of the company's obligations under the Swedish Companies Act. It was further mentioned that the company's routines had improved after the end of the financial year and that said breaches had not resulted in any significant damage to the company. The auditor also had a remark in which it was stated that, on several occasions during the financial year, deducted tax, social security contributions and VAT had not been declared or paid on time or in the right amount, due to a lack of routines in relation to the ongoing reconciliation of the accounting, which constitute breaches of the company's obligations under the Swedish Companies Act. It was further mentioned that the board of directors and the CEO had remedied such shortcomings and that said negligence had not resulted in any damage to the company other than the payment of default interest. It is Nordic Camping and Resort AB's view that these shortcomings have been properly addressed by putting adequate procedures in place.

Other than the auditing of the Issuer's and the Guarantors' financial statements for the financial years of 2018 and 2019, the auditor has not audited or reviewed any part of this Prospectus.

- (b) A Bondholder may issue one or several powers of attorney or other authorisation to third parties to represent it in relation to some or all of the Bonds held by it. Any such representative may act independently under the Finance Documents in relation to the Bonds for which such representative is entitled to represent the Bondholder and may further delegate its right to represent the Bondholder by way of a further power of attorney.
- (c) The Agent shall only have to examine the face of a power of attorney or other proof of authorisation that has been provided to it pursuant to Clause 6(b) and may assume that it has been duly authorised, is valid, has not been revoked or superseded and that it is in full force and effect, unless otherwise is apparent from its face.

Should the CSD, due to a delay on behalf of the Issuer or some other obstacle, not be able to effect payments as aforesaid, the Issuer shall procure that such amounts are paid to the Persons who are registered as Bondholders on the relevant Record Date as soon as possible after such obstacle has been removed.
- (c) If, due to any obstacle for the CSD, the Issuer cannot make a payment or repayment, such payment or repayment may be postponed until the obstacle has been removed. Interest shall accrue without any default interest in accordance with Clause 8(d) during such postponement.

- (e) All amounts payable by the Issuer to the Bondholders shall be made without withholding or deduction for or on account of any present or future taxes or duties of whatever nature imposed or levied by or on behalf of Sweden or any authority thereof or therein unless such withholding or deduction is required by law or regulation or the interpretation or application of such laws or regulations. If such withholding or deduction is required, the Issuer will at the request of the relevant Bondholder pay such additional amounts (the "**Additional Amounts**") as are necessary in order that the net amount received by the relevant Bondholder, after such withholding or deduction, shall be equal to the respective amounts which would otherwise have been receivable in the absence of such withholding or deduction.

- (h) Notwithstanding any other provision of the Finance Documents to the contrary, the Agent is not obliged to do or omit to do anything if it would or might in its reasonable opinion constitute a breach of any law or regulation.
- (i) If in the Agent's reasonable opinion the cost, loss or liability which it may incur (including its respective reasonable fees) in complying with instructions of the Bondholders, or taking any action at its own initiative, will not be covered by the Issuer, or the Bondholders (as applicable), the Agent may refrain from acting in accordance with such instructions, or taking such action, until it has received such funding or indemnities (or adequate Security has been provided therefore) as it may reasonably require.
- (j) Unless it has actual knowledge to the contrary, the Agent may assume that all information provided by or on behalf of the Issuer (including by its advisors) is correct, true and complete in all aspects.
- (k) The Agent shall give a notice to the Bondholders (i) before it ceases to perform its obligations under the Finance Documents by reason of the non-payment by the Issuer of any fee or indemnity due to the Agent under the Finance Documents or (ii) if it refrains from acting for any reason described in Clause 20.2(i).

20.3 Limited liability for the Agent

- (a) The Agent will not be liable to the Bondholders for damage or loss caused by any action taken or omitted by it under or in connection with any Finance Document, unless directly caused by its negligence or wilful misconduct. The Agent shall not be responsible for indirect loss.
- (b) The Agent shall not be considered to have acted negligently if it has acted in accordance with advice addressed to it from or opinions of reputable external experts or if it has acted with reasonable care in a situation when it considers that it is detrimental to the interests of the Bondholders to delay the action in order to first obtain instructions from the Bondholders.

- (c) The Agent shall not shall be liable for any delay (or any related consequences) in crediting an account with an amount required pursuant to the Finance Documents to be paid by it to the Bondholders, provided that it has taken all necessary steps as soon as reasonably practicable to comply with the regulations or operating procedures of any recognised clearing or settlement system used by it for that purpose.
- (d) The Agent shall not have any liability to the Bondholders or the Issuer for damage caused by it acting in accordance with instructions of the Bondholders given in accordance with the Finance Documents.
- (e) Any liability towards the Issuer which is incurred by the Agent in acting under, or in relation to, the Finance Documents shall not be subject to set-off against the obligations of the Issuer to the Bondholders under the Finance Documents.
- (f) The Agent is not liable for information provided to the Bondholders by or on behalf of the Issuer or any other Person.

20.4 Replacement of the Agent

- (a) Subject to Clause 20.4(f), the Agent may resign by giving notice to the Issuer and the Bondholders, in which case the Bondholders shall appoint a successor Agent at a Bondholders' Meeting convened by the retiring Agent or by way of Written Procedure initiated by the retiring Agent.
- (b) Subject to Clause 20.4(f), if the Agent is Insolvent, the Agent shall be deemed to resign as Agent and the Issuer shall within ten (10) Business Days appoint a successor Agent which shall be an independent financial institution or other reputable company which regularly acts as agent under debt issuances.
- (c) A Bondholder (or Bondholders) representing at least ten (10) per cent. of the Adjusted Outstanding Nominal Amount may, by notice to the Issuer (such notice may only be validly given by a Person who is a Bondholder on the Business Day immediately following the day on which the notice is received by the Issuer and shall, if given by several Bondholders, be given by them jointly), require that a Bondholders' Meeting is held for the purpose of dismissing the Agent and appointing a new Agent. The Issuer may, at a Bondholders' Meeting convened by it or by way of Written Procedure initiated by it, propose to the Bondholders that the Agent be dismissed and a new Agent be appointed.
- (d) If the Bondholders have not appointed a successor Agent within ninety (90) days after (i) the earlier of the notice of resignation was given or the resignation otherwise took place or (ii) the Agent was dismissed through a decision by the Bondholders, the Issuer shall appoint a successor Agent which shall be an independent financial institution or other reputable company which regularly acts as agent under debt issuances.
- (e) The retiring Agent shall, at its own cost, make available to the successor Agent such documents and records and provide such assistance as the successor Agent may reasonably request for the purposes of performing its functions as Agent under the Finance Documents.
- (f) The Agent's resignation or dismissal shall only take effect upon the appointment of a successor Agent and acceptance by such successor Agent of such appointment and the execution of all necessary documentation to effectively substitute the retiring Agent.

- (g) Upon the appointment of a successor, the retiring Agent shall be discharged from any further obligation in respect of the Finance Documents but shall remain entitled to the benefit of the Finance Documents and remain liable under the Finance Documents in respect of any action which it took or failed to take whilst acting as Agent. Its successor, the Issuer and each of the Bondholders shall have the same rights and obligations amongst themselves under the Finance Documents as they would have had if such successor had been the original Agent.
- (h) In the event that there is a change of the Agent in accordance with this Clause 20.4, the Issuer shall execute such documents and take such actions as the new Agent may reasonably require for the purpose of vesting in such new Agent the rights, powers and obligation of the Agent and releasing the retiring Agent from its further obligations under the Finance Documents. Unless the Issuer and the new Agent agrees otherwise, the new Agent shall be entitled to the same fees and the same indemnities as the retiring Agent.

21. Appointment and Replacement of the CSD

- (a) The Issuer has appointed the CSD to manage certain tasks under these Terms and Conditions and in accordance with the CSD regulations and the other regulations applicable to the Bonds.
- (b) The CSD may retire from its assignment or be dismissed by the Issuer provided that the Issuer has effectively appointed a replacement CSD that accedes as CSD at the same time as the old CSD retires or is dismissed and provided also that the replacement does not have a negative effect on any Bondholder. The replacing CSD must be authorized to professionally conduct clearing operations pursuant to the Swedish Securities Markets Act (*Iag (2007:528) om värdepappersmarknaden*) and be authorized as a central securities depository in accordance with the Financial Instruments Accounts Act.

22. Appointment and Replacement of the Issuing Agent

- (b) The Issuing Agent may retire from its assignment or be dismissed by the Issuer, provided that the Issuer has approved that a commercial bank or securities institution approved by the CSD accedes as new Issuing Agent at the same time as the old Issuing Agent retires or is dismissed. If the Issuing Agent is Insolvent, the Issuer shall immediately appoint a new Issuing Agent, which shall replace the old Issuing Agent as issuing agent in accordance with these Terms and Conditions.

23. No Direct Actions by Bondholders

- (a) A Bondholder may not take any steps whatsoever against the Issuer or with respect to the Transaction Security or the Guarantees to enforce or recover any amount due or owing to it pursuant to the Finance Documents, or to initiate, support or procure the winding-up, dissolution, liquidation, company reorganisation (Sw. *företagsrekonstruktion*) or bankruptcy (Sw. *konkurs*) (or its equivalent in any

other jurisdiction) of the Issuer in relation to any of the liabilities of the Issuer under the Finance Documents.

- (b) Clause 23(a) shall not apply if the Agent has been instructed by the Bondholders in accordance with the Finance Documents to take certain actions but fails for any reason to take, or is unable to take (for any reason other than a failure by a Bondholder to provide documents in accordance with Clause 20.1(c)), such actions within a reasonable period of time and such failure or inability is continuing. However, if the failure to take certain actions is caused by the non-payment by the Issuer of any fee or indemnity due to the Agent under the Finance Documents or by any reason described in Clause 20.2(i), such failure must continue for at least forty (40) Business Days after notice pursuant to Clause 20.2(k) before a Bondholder may take any action referred to in Clause 23(a).
- (c) The provisions of Clause 23(a) shall not in any way limit an individual Bondholder's right to claim and enforce payments which are due to it under Clause 9.6 (*Mandatory repurchase due to a Change of Control Event (put option)*) or other payments which are due by the Issuer to some but not all Bondholders.

24. Prescription

The right to receive payment of interest (excluding any capitalised interest) shall be prescribed and become void three (3) years from the relevant due date for payment. The Issuer is entitled to any funds set aside for payments in respect of which the Bondholders' right to receive payment has been prescribed and has become void.
- (b) If a limitation period is duly interrupted in accordance with the Swedish Act on Limitations (*Sw. preskriptionslag (1981:130)*), a new limitation period of ten (10) years with respect to the right to receive repayment of the principal of the Bonds, and of three (3) years with respect to receive payment of interest (excluding capitalised interest) will commence, in both cases calculated from the date of interruption of the limitation period, as such date is determined pursuant to the provisions of the Swedish Act on Limitations.
